英文書法（硬筆）

If I Knew As A Child by Renee Duvall

If I knew as a child what I know now, Mom,
I probably wouldn't have made things
so hard for you.
I would have understood
that you were looking out for my best interest.
even though it may not have seemed so at the time.
I would have known how difficult it is to let go,
to stand back and let someone you love
learn from their mistakes.
I would have realized
how fortunate I was to have a mother
who was always there for me,
even after an argument,
even after I'd said things
I shouldn't have.
While it's too late for a lot of things
it's not too late for me to tell you
that I appreciate how loving you are,
how giving you've always been
and that even though
I may not always be good at showing it,
I love you very much.
